## A Mistaken Idea.

People who hold to the "vanishing" theory declare that Indians do not thrive on the white man's food, and great losses are claimed from this fruitful source. The contrary is nearer the truth. As soon as they catch the white man's regularity of supply, of preparation and eating, taking, as we do, two or three meals every day, they are healthier than when they went days without food, and then like gourmands gorged themselves; healthier than when they seized upon animals that had died, and to satisfy the cravings of false appetites consumed the poisonous flesh. Making a careful computation from the latest reports which embrace all the states and territories, excepting Alaska, we count 202,630.

## PEOPLE EVERYWHERE.

Confirm our statement when we say that Acker's English Remedy is in every way superior to any and all other preparations for the Throat and Lungs. In Whooping Cough and Croup it is magic and relieves at once. We offer you a sample bottle free. Remember, this Remedy is sold on a positive guarantee, by J. W. Conn, Druggist.

It is expected that Mexico will grant the concession asked for by the colored men from the south, and that at least 20,000 negroes will leave the cotton states and begin the raising of that staple in Mexico.

## CAUTION TO MOTHERS.

Every mother is cautioned against giving her child laudanum or paregoric; it creates an unnatural craving for stimulants which kills the mind or the child. Acker's Baby Soother is specially prepared to benefit children and cure their pains. It is
